“ To Lena's Family. I want you to know just how much my family loved Lena. She is the last friend of my grandparents, Leila and Francis Prentice. I was honored to know her. She made my grandmother's dress for my wedding, she was an amazing seamstress and knitter. I always enjoyed visiting with her and hearing about her beloved little dog. I remember Rudy when I was growing up on Eagle St. and how much she loved him. I loved her beautiful white hair. My mom would bring her Bananas and Fig Newton's at the Nursing home and she just loved them and having mom visit her. She was so proud of her family. She taught me how to knit pot holders. Lena, you will always be an important part of my life. I will miss you but know how much you wanted to be with Rudy. You were an amazing, wonderful lady. We love you. “ I would like to share a few thoughts about my Aunt Lena. My memories of her go way back to when she was young. She was vibrant, generous and beautiful. She was a devoted wife, (my Uncle Rudy adored her and she him) daughter, sister and Aunt to many nieces and nephews.

She loved to entertain family and friends always taking great care with preparations. Holiday dinners were special with many delicious Italian dishes on display. She was also a fantastic baker. Two of my favorites were custard pie and her fabulous chocolate cake.

Aunt Lena was always fashionable and impeccably dressed with perfectly coifed hair. And who could forget her signature blue tint. Loved it!

Aunt Lena served as a role model for me so it was no surprise when my parents asked me who I wanted to be my confirmation guardian my choice was easy, Aunt Lena. She possessed a strong faith and character with a loving spirit. She was also opinionated and would not hesitate to let you know if she believed you were on the wrong side of an issue.

She enjoyed many hobbies throughout her life. Photography, knitting, bowling and playing bocce ball. She loved music and played the organ and loved to travel with Uncle. They made more than one trip to Italy together. Upon their return they would share a slide show depicting all of the sites they had visited.

She was blessed to lead a full life surrounded with family and friends. I will miss her presence but I will always hold her close to my heart, never forgotten.

So my dear Aunt Lena may you rest in peace. I know Uncle will be waiting for you.

All my love to my beloved Godmother.

“ To Family and Friends of Lena:  
Our sympathy and condolences to all of Lena's family and friends upon hearing of her passing. As part of that family I look back at the many years of having known Lena and Rudy and her parents, I can only think of many moments for me that were a blessing when I was very young and also as I became a family man myself. Visiting ,I can remember that parakeet they got to count to ten, that great lemonade that Lena made, and their excitement of sharing that stereo and the sound of the train travelling through their living room from one side to the other.. Confirmation day was a very special day for Anita and I with Lena and Rudy, our Godparents. I received a beautiful watch from them.. I remember just sitting with Rudy watching tv and he sharing how well he had bowled the night before. Lena was an awesome cook and and those red peppers she made were so delicious. There were times we played cards or listened to her play the organ. Lena's mother and I were very close and I fed her sherbert one time before her passing. She made me a beautiful afigan and always treated me to lunch when I did chores for her. yes there is sadness of their passing but for me a beautiful celebration of their lives that was truly a blessing to me and my family and i know so many of you who will read this. God's Blessings Lena for eternal peace but not goodbye , but until we meet again. I will always be thankful for your Love and KIndness to myself and my family!!!!
