“ I worked with Lena for two years when she was at the Adult Day Care Program at the Wells house in Johnstown. We had a special relationship. I loved Lena and all her family stories. She once bought a faux fur coat at Wal Mart. I liked it so much that I went out and bought one for myself. I had it on the other day. I wondered where she was. I will never forget her. She always brightened my day. I hope I always brightened hers.

“ To the Brienza and Shaw families our heartfelt condolences for the passing of our friend Lena. We shall always remember the good times we had in her company at the festivals we used to attend, at the Rock fest and the conversations over a cup of espresso. Lena I personally won't forget your laughter, your kind heart and us singing in Italian. We will sing again some day in heaven. Condolences from my family in Italy also. Rest in peace my friend.
