“ To the Marshall Family, I am so sorry for your loss, and please accept my sincerest condolences. Bobby and I had some wonderful times (and wild ones too) together beginning at Columbia elementary and continuing into our 20's and well beyond. He once goaded me into eating a pollywog from the aquarium in elementary school, and immediately laughed uncontrollably at the look on my face as it wiggled down my throat; and then promptly paid the 25 cents he promised for the feat. We did not keep in touch often, but when we did connect through the years our time apart always disappeared immediately. We both took great joy in making each other laugh, and laugh hard. Unfortunately for me Bobby was the one who hung my high school nickname on me, and made sure it stuck. I will never forget him, and always have a place in my heart for him. He and I were cut from the same bolt of cloth ... and he would have responded to that by saying, " ... and they didn't need much fabric to make you". He will always and forever be my friend. Until we meet again ...

“ To All of Bob’s Family,

I was stunned to hear the news of Bob’s passing and then filled with much sadness. I can only imagine how this has been for you all. There are so many memories I have of high school that include Bob. I can’t recall a time I didn’t see him joking and laughing. The picture you placed here is how I remember him, always with a smile. We lost touch once I went to college and moved away, but always thought of him fondly. I hope one day we meet again.

Sending you all healing prayers with the hope that each day gets easier and your memories of him never dim and only get stronger.

With deepest sympathy, Sandy (Bereza) McDermott

“ To all of Bob's family,

I have been thinking about Bobby ever since Brian Seeley let our GHS class of '77 know of his passing. As a Columbia School kid, Bob and I met as Kindergarteners. He was such a cute little boy, coming down Helwig Street hill to throw sticks up into our Chestnut trees. The little kid in me always liked his visits. Sending love and prayers to all of you and to the Class of '77 who all mourn his passing.

“ Everyone that knew Bobby knew what a kind person/friend he was. So many memories of our High School days. One fond memory was in 1975 when I doubled dated with Bob and Sandy Bereza and Tim LaPorta and I for the Christmas Ball. I still have that picture and that is one of many memories I have of Bobby. So very sorry for his family and their loss. He was taken much too soon. RIP Bobby.

“ Dear Jo-An, girls and family - I am so very sorry for your loss and the grief that you feel. My memory of Bobby goes all the way back to ESTEE and middle school and the extra modules that they offered at the end of the day. Bobby, Todd Mercer, Tammy Johnson and I played cards - believe it or not - in one such class. LOL - it was just too funny and we had a good time. As Fred Fields always said - Keep looking UP - remember the happy times. God bless.

“ My thoughts and prayers go out to all of Bobby's family at this time. I met Bobby in 8th grade and spent so many great times hanging out with him at Karen's house and all through out our high school days. Bobby had a great heart and would do anything for you if you were his friend. I will miss him.
