“ I was sorry to Learn of Tom’s passing. My dad Herbert Spaulding was Tom’s roommate at River Ridge the 2 years and 2 mos my dad was there before passing 1/1/16. I am sorry my dad was in late stages of Parkinson’s dementia when they lived together because prior to that when Dad could speak, Dad and Tom would have had a lot to talk about, the shared interests of auto repair, owning their own businesses and love of their families. My Dad owned an Agway in Crown Point, NY was a mechanic, electrician and jack of all trades. Again our family is very sorry for your loss. We share a very long good by with our loved one. God bless.
