“ My sincere condolences to the family. Yvette was a friendly person, classmate and roommate . She wore her heart on her sleeve. Before she had children she expressed her love of them. It has been too long since I saw her last ... She will be of dear memory.

“ Yvette was one of my favorite people to talk and hang around with. We shared so many laughs throughout the years, she was so much fun to be with. We always wanted to do one of the bike tours together but the cancer took her health away before we could plan it. I promise you Yvette, if I ever do it, you will be with me...I love you so much! I send my love to all the family members--you know how much you mean to me. May God bless you during these sad times, I look forward to sharing some memories together, all my love Jeri

“ So saddened to hear of Yvette's passing. She was a kind and generous person. Whenever we'd see her, usually biking or walking, we would stop and catch up. When we traded in our bikes and purchased new ones, they were getting them ready so she gave us a ride home. We are so sorry for your loss. she will be missed.

“ Dear Bill, Nate, Neil, Erica and extended families,
I am so saddened to hear about the passing of Yvette. She was my substitute teacher at Wheelerville when I had my daughter many years ago. Always laughing and smiling and living life to the fullest. She went on to be my son's Math teacher. I'm sure he drove her crazy but she always had a kind word to say about him as well as helping him succeed in Math. She will be dearly missed.

Sincerely,

“ To the Auty & DeCristofaro family!

Diane & I would like to extend our deepest sympathy for this sudden loss. I had great memories of Yvette when we were all young at the baseball & football fields ,cheering all of us on. I spent a lot of time at her house on Franklin St. with her and her brother Joey. She was always smiling and had a great personality and was quite the athlete herself. Yvette a great person will be missed!

“ I was saddened to hear of Yvette's passing. We taught together years ago when we were substitutes. She always had a smile and encouragement for those days when we were challenged by the students. She had a great sense of humor and was a pleasure to spend time with. Although I hadn't seen her in quite some time, I remember her dearly and I'm sure she will be missed by many of her former students. Thoughts and prayers to her family and may God comfort you with his presence.

“ Amy and I send our deepest condolences to the family. Yvette was so helpful with a beautiful smile each time we visited Bike Works and we shared laughter and we were so happy to hear that her cancer had gone into remission as I told her of my issues with my bladder cancer. Her words helped me so much. We will always remember her with that beaming smile.
