“ Angie Graziano! I started at the bank in 1966 and she was one of the first persons I met! We were instant friends! I had dinner with her and her Dad a couple of times. I loved him also. I ran into her a few years ago and she was still so pretty and special! I am so sorry for your loss and a loss to the world. She was a sweet, sweet lady! I was Linda Kumpan when I met her. Peace to you all.
