“ *Our condolences for your entire family. Bill and I just wanted to know our heart goes out to all of you. Bert was a great guy. As you know he and Jen dated for some time. And through that we got to know him really well. I have two cherished Christmas gifts from Bert that he sent me when he was in Italy. Though Thomas was six and Bert was 20 he they were friends. Bert came to see us every time he was home. Thomas like them so much that he decided his imaginary friend Jack, was going to go live with her in Italy when Thomas was ready to let Jack go. That meant a lot to us as parents. Burt it was a really great guy . He holds a special place in our hearts.though it's been many years since I've seen him , he will be greatly missed.
