“ Dale’s death is so sad for so many, including us, especially given the quickness with which he was taken from his family. We wish we could have had more time with him before he got so sick and then more time to properly say goodbye, too. He and his quiet grace will be so sorely missed, but I am very thankful for the quality time, fun, laughs, tears, and big hugs we had with him over the last 20+ years. He was a wonderful step-dad to me, and he deeply loved and took kind care of my mother for which I will always be thankful. RIP Dale- we love you.

So sorry to hear of Dale's passing. He was such a nice person. Don't know if you remember me but Dale's sister, Linda, is my sister-in-law. God Bless you and your family. Sincerely, Liz
