“ *So very sad to hear about Dan's passing. I missed seeing him at the store, so, I finally asked about his wear abouts & was told the sad news. He will be missed... He was sweet.*

“ *Dan and I started on the same day at Price Chopper, all the way back in November of 1983. The nicest guy in the world. Wouldn't say a bad word about anyone and always helped out! I'll never forget the stir that Dan caused in high school when he dressed as Billy Idol one day. Just a teaser for his performance in the talent show. You will be missed!*

“ Dan- we had such good times at Price Chopper and at your house when I was a teenager. I remember you being obsessed with Billy Idol and I have pics of you dressed as him from that time- so shocked to hear that you're gone- love you! Michele

“ I had the privilege of calling Dan a friend. He was the most caring and warm person I have ever known. He was so misunderstood by his family and wore the scars inside his soul. He compensated his pain by trying to make everyone around him think he was fine. He was not. He put on a brave face and used music and song to dull the ache in his heart. His family did love him, but did not try to understand him. So alone and so sad. I know what he was going thru and pray to God that he is finally at peace. Love you Dan. Hug your Mom for me. <3

“ I was so saddened to hear of Dan's passing! I met him one karaoke night, that was all it took, I was hooked! Such an amazing voice, he put his all into it, sometimes he'd perform while singing, all eye's were glued to him. Dan was such a sweet & caring man, we'd sit together while waiting to sing & have some great talks. I'll never forget him, may he RIP!!

“ I can't say enough about this wonderful human being. I will never forget the day I got up to check out at Price Chopper and couldn't find my money. Dan said not to worry and threw the \$20 I needed in. I went back later to repay him and he laughed and said they had found my money on the floor. Not many people would have done this, especially with not knowing me as well. He touched my life and so many others. He will be so deeply missed.

“ My deepest condolences. Not only was I always in awe of Dan's dedication to his job and his exemplary customer service but I will forever remember how he gave a person with a disability and a drive to work a chance at a job when no one else would. His patience in utilizing that employee's skills and finding where the skills could help that person grow and thrive while being an employee of his will never be forgotten. In a light note, I always was in awe of his impeccable appearance, always dressed to impress with the most impeccable hair as he zipped to the rescue of every corner of the a Gloversville Price Chopper. He is truly irreplaceable! My deepest sympathies to all who grieve Dan ❤️
