“ Peggy and family, we were shocked and saddened by David's passing. Although we haven't been a part of your life for quite sometime, we remember fondly the times we did have together--especially the time Dave and I (Ed) managed to just about ruin a wedding cake you had made and we were delivering it to Caroga Lake and had to rush it back to you for repairs (at least I think we brought it back to you). You and the rest of the family will be in our prayers. Sincerely, Ed and Peg Gundersen
