“ Dawn was my best friend in high school and I just found out that she had passed. I moved out of town and I am just now finding this sad news. I am so very sad to see that she has passed. I will share this with everyone..... as we all grow and have families and live our lives, no matter when I would see her it was like we still saw each other all of the time,that's how it felt. We always just hugged and let each other know how much we cared about each other and talked about some of the fun times we had and what was going on in our daily lives. Dawn was a true friend and will be missed very much. Nakeshia, I'm so sorry for your loss, I know she is your guardian angel and will be with you always.

Love you Dawn,  
Your friend forever,  
Sue Hill-Miller

Nakeisha, my heart breaks for you. Your Mom was a loyal friend, always kind with the biggest of hearts. I will never forget listening to David Allen Coe with her we laughed so hard we cried :))) May peace and comfort follow you all of your days. God Bless.
