“ Judy, I just found out about Don's passing. He was met by his Mom, Dad and sister when entering heavens gates.

*I am proud to have called Don my friend. He and I had some of the best laughs of my life.*

*I enjoy telling those stories of Don and I hanging out finding mischief.*

*I hope Judy that you also can find solace in some of the happy memories you shared with him. I know he loved you and worshiped his marriage to you.*

*Rest In Peace my friend.*

“ I was so sorry to read of Don's passing. My favorite memories of Don are at the beauty shop when he would cut and hi-lite my hair. Why? All his stories that he would share. A super nice person and I fun to be with.

Going to the Nare farm was always a treat. A great place to get together with all the family members. I especially remember the family picnics, where everyone would bring their favorite recipes. Lots of great memories of Donnie, Russell, and family.

*Judy, Russell & Family, so sorry to hear of Don's passing. Don and the rest of his family were so much a part of the Fiacchi, Dingman and Nestle families. Don was such a warm and friendly person that will be greatly missed. He can now rest in peace never to have his body hurt again. My family and I were so fortunate to have grown up with Don. Many happy memories. Rest in peace Dear Man.*
