“ To Doris’s Family...I also worked with your wife/Mom at “The Infirmary”..she was such a caring and dedicated nurse to her patients. She inspired me in such a way that I too became a nurse and I believe that her influence and strength guided me even after she retired. I will miss her friendship, our talks in later years and such unfailing optimism. Please accept my deepest sympathy. With affection, Jackie Carpenter

“ Dear Guy "Chick", Karen, Kathy and families~
 I am so saddened to read of such a dear friend's passing. Doris and I worked many years together at the Fulton County Infirmary. She was a wonderful friend, wonderful nurse and Supervisor, always keeping residents first and foremost. We had many happy memories which I will always cherish. She loved her family, her pool and dreams of a Happy Healthy Retirement. I only wish she had more happy retirement years ahead.
 Her legacy as an exemplary RN will always be with her. I just hope her family will find comfort in the many days ahead with their happy memories and knowing Doris had many, many friends and coworkers who will also hold her close in thought and prayer and hearts.

Thank you, Jackie...Doris, you, Deb and I are a few of the "old school" nurses who made many residents have the best of their "sunset years".
