“ My Father Frank Wieszchowski was the only child of my grandparents and was taking care of them both by time he graduated. And was sole provider for them when enlisted in the US Army. He was a great father to me. I couldn't have asked for any other or better father. Because he was the best. He was an animal lover and nature was his serenity. I will always love him and miss him dearly. God Bless him and may be live in all our memories. He was a good man and awesome teacher. Smart and not afraid of being alone and doing it all by himself. Thanks to Mark for creating this obituary.
