“ My mother, Gloria Semitone Perrella, was the most loving and caring person I have ever known. Her love was unconditional, and she always supported me and was there for me, when times were good, and especially in times when things were not so good. She never gave up on me, and it was her love and belief in me that gave me the strength to move forward. I was very lucky as I could not have had a better mother than my mom. She will be in my heart always, and I will miss her for the rest of my days. And I pray for the day that we will be reunited in Christ our Lord. Rest in peace, Mom. I love you, always. Stephen

The entire Summers family sends heartfelt condolences for the passing of your loving and amazing Mom. Her love stretched from coast to coast, and has left us all an extraordinary legacy on how to be a truly great human being.
