“ I am so sorry to hear of Harold's passing...He will be missed by his family, he was a man who believed in family values and passed that on to his children. His presence often was in the back ground but you knew he was there! I knew him for many years, and often we spoke the words "hello" or just a nod....but I have a great respect for the man Harold is...and the father / friend position he held in his family. He was a hard working man...proud, honest. I am so very glad I got to see him Christmas Eve....I will have that memory of him forever, I was never sure if he knew who I was or not...as sometimes he would just nod...well when I said to him Christmas Eve if he remembered me...he gave me the greatest honor one could ever have as an "outsider" of the family....he said "Of course I do you're Jan" and proceeded to hug me and I got whisker burn as he kissed my cheek....but I am so grateful for that memory I can keep of him. Harold shared love with each of his children, their spouses and grandchildren and great grandchildren....a long line of "Family Love"....My heart goes out to his children...and of course to his wife Gail who will miss him totally... It was my pleasure to know him and watch this family grow...over the year, A love story forever going strong..... See ya again someday Harold....."later"...
