“ hello, I was terribly saddened to hear of John's passing. He was quite a guy, a dedicated, persevering fellow volunteer at the Saratoga County Correctional facility over the last 10-15 years. He always had nice things to say, and he was passionate about trying to help the inmates overcome their unhealthy dependencies. Frequently, at the conclusion of our meetings there, he'd be still trying to give some last minute coaching, or hear some last minute confession from an inmate. I will miss John, he inspired me. I will always remember his steadfast spirit. His usual greeting to me "Jimmy, I am still a big fan (of yours)" always brought a smile to my face. I am sorry I missed his service, I had heard we'd lost him, but kept checking and checking for a service, but didn't see anything listed anywhere. John was a good man, with a great spirit. I am sorry for your loss (our loss) May God Bless you and Love you as you grieve,
Jimmy Russo
