

## John J. Zambri

September 21, 2024

John J Zambri, 74 of Gloversville passed away on September 21,2024 at Saratoga Hospital. Born in Gloversville, he was the son of the late Benjamin and Virginia Caputo Zambri.

John was a hard worker from the age of 12 he started making pizzas and then went to work in the leather mills of Gloversville as a boss under the supervision of his father Ben. In his 30's he, his father and brother purchased a tavern in Tribes Hill called the "Kozy Corner". He ran the tavern for 20 plus years. When he decided to slow down so he could spend more time with his family, he then took a job at St. Mary's Hospital and before he retired, drove for a medical transportation company.

In 1979 his sunbeam Tiger sports car caught the eye of Gina Benton (Schietromo) and they spent many happy years together and shared one daughter, Jessica. While in his later life John spent most of his time with his favorite Grandson Evan. They took mini vacations, watched truck pulls together and cruised around putting endless miles on the road. He and Evan shared a love for sports cars new and old. John spent the holidays with his family enjoying the extended family he gained when his daughter married into a big family. He was a loving, caring, and giving respectable man. If you had the opportunity to know John, you'll remember his smile even when he was in pain; the smile never left his face. It was a true blessing to have him in your

life and you feel a void with his passing.

Survived by his daughter Jessica (Zambri) VanNostrand, her husband Randy VanNostrand Jr., his brother Michael (Sherry) Zambri, and his grandson Evan Seeley.

A Graveside service will be held Wednesday September 25, 2024, 12:30PM at Mt Carmel Cemetery, Johnstown, where attendance is open to all. Online condolences to the family may be made to [www.amicofuneralhome.com](http://www.amicofuneralhome.com)

“ *John was liked by all no matter where he went. He was always smiling and was a great friend. He could always offer advice no matter the situation. Our long chats will be missed and I learned a lot from John. One thing we all know is that he'll be cruising the highways of heaven in a vette with a big smile. Rest in piece John and enjoy the ride!*
