“ He was one of my favorite uncles and I miss him dearly. I love him to death and wish he could still be here but he’s not suffering anymore.

“ This is my oldest brother Joey. He was my protector, my hero and my best friend. You, Lisa, and I had many conversations about family friends, God and Jesus. We did not have enough time together through the years because our baby Sister Michelle lives in Florida and I live in Mississippi. All our other siblings and their spouses and children, Sandra, Joey, Eddie, Debbie, and Billy live in NY. And MA across country. We are a close knit family just don't see enough of each other. My family needs to know I love them unconditionally. I wish you were still here Bubba, but your suffering is now over. Thank you for being my sweet brother. Peace and comfort for you Lisa. Just know Lisa you were loved dearly from Joey. He always told me you were his love and best friend. You are loved from all of us also. You will always be our Sis. Love always...Sheila and Claudie
