“ I am Janet Wait Brcka, Julia was my great Aunt. I didn't ever get to meet her but had a conversation with her on the phone and received a beautiful letter and lots of family pictures. I wish now I would have taken the opportunity to get to know her and her family more. My father was Robert Wait son of Julia's sister Marion. He recently passed away on December 31, 2014. He shared alot of stories about his family. God bless and my thoughts and prayers are with your family.
