“ You were the most amazing father in the world! And an even more amazing grandfather. You never judged anyone and you were always there to help and support those you loved and considered a friend. Your heart was so big I don't know how you were able to contain it. I don't know how I'm going to survive this life without you dad. You're my rock and now you're gone. I will miss you for the rest of my life! It's just not the same without you here. I love you so much dad ❤️
