“ I remember tagging along with my twin brother and Chris. Not to hang out with them lol cuz Chris had the coolest Mama ever. She always made me feel so welcomed and loved. She was like a 2nd Mom to me. Spoiled us kids to say the least, and always made sure we had a smile on our face. Lori played a big role in some of my best childhood memories. I am forever grateful for her. We love you Mama Maxwell. Rest peacefully gorgeous. You will be sorely missed.
