“ Marion was an amazing woman. The Brower family and mine go back to Helen and Brick. My husband and i got our first dog, a border collie from Marion and she was a treasure of information and help. She had stopped breeding collies when we needed a new puppy but took us to a farmer she knew near Syracuse. Our son was 4 years old and had never been in a cow barn. As we were looking over the puppies, I turned to see what Marion thought and saw her quickly grab our son who had wandered back by her and was fixated at the back end of a huge cow who was raising her tail. She saved him from a nasty golden shower and all of us had to laugh after the initial shock. I'll bet she was used to moving kids out of harm's way! My mom always said about the Brower kids, "They were raised right!". She and Carlton have given us wonderful friends and memories. To her family: Always know that I loved her and will never forget her.

“ We first met Marion as our milk tester. We enjoyed her visits because she was always cheerful and kind, even to us kids. One Halloween Marion invited our family to her home where we enjoyed dunking for apples, apple cider and donuts. The apples had coins in them so the Brower boys showed us the best technique for getting those apples. This involved dunking our whole head in the bushel basket. 😊

The Brower boys helped us unload hay in the summer. When our Dad broke both legs while haying, Marion and her family were a huge help. What a blessing this was to us.

When Debbie wanted to show cows at the fair, Marion arranged for Mary Louise to teach Debbie how to show. At the fair each year Marion and her family watched over Debbie and her animals.

Lots of great memories. Praying God's peace and comfort during this difficult time. Marion was firm in her faith and we look forward to seeing her again in heaven some day.

“ The family of LeRoy and Margaret Roberts wishes to offer their deepest condolences to the Brower family on the passing of Marion. By the life that she lived we are certain that she is enjoying the blessings of eternal life with Jesus along with our parents. Dad and Mom had great respect for Marion and Carlton and became godparents to several of the Brower children. We were amazed by what they accomplished in life. Their greatest investment was in their family. We got to know the Brower family better sharing a ride with Michael, Anthony, and Mary Louise to catholic schools in Gloversville on the Mayfield School station wagon. Some of our best memories of our years in Mayfield are of the hospitality and generosity of the Brower family. Dan and Maureen live in Cod and were blocked in by a blizzard. Frank attempted the trip to Gloversville from Albany but was turned back by the road condition. We pray for God’s comfort and healing for you from your loss.
