Tribute Wall

“ Jack,
So sorry for your loss. I remember talking with Mary when I would bring Mom over your your meeting for the class reunion. She was a wonderful person and always had a smile on her face. I remember you calling Mom one day to see how she was and 5 different times you said you had to go Mary needed something. That last time we kept waiting for the phone to ring that sixth time but, you never did. Mom enjoyed talking to her during the meeting and on the phone. She will be greatly missed. My thoughts and prayers are with you.

“ To all of Mary's family,
I had the privilege of working with Mary at the former "Fulton County Infirmary" . She had a kind, compassionate and dedicated heart to all her residents and staff and left an impression with me that few followed.
I hope her family find peace and comfort with their memories and know Mary had many friends who now hold her close in thought and prayer.
