

## Michael V. Di Caterino

October 8, 1941 - April 7, 2024

Michael V Di Caterino 82 of Gloversville passed away peacefully on April 7, 2024 at home surrounded with his family at his side. Born in Gloversville to Anna Perrone and Henry Di Caterino on October 8, 1941.

A lifelong resident, Michael attended Gloversville High School, Morrisville State University and Oswego. He devoted his time and effort to his community teaching driver's education and wood shop at Gloversville High School. After retirement he volunteered his services at the 1st Presbyterian Church of Broadalbin. He participated in Habitat for Humanity and other programs teaching young adults painting, carpentry and home improvement. He was a devoted Christian belonging to 5 churches: Mt Carmel Church of Gloversville, 1st Presbyterian Church of Broadalbin, Mayfield Central Presbyterian Church, North Main Street United Methodist Church and Auriesville Shrine. Michael's hobbies included Italian cuisine, playing cards, bowling, woodworking and most of all driving leisurely around town in his sports car with his furry companion in the front seat and granddaughter and daughter in the back seat. He was a landlord to many and made sure their houses were just as nice as his own.

Pre-deceased by his parents and sister Anita Moore. Survived by his devoted brother Henry (Carolyn) Di Caterino adoring and loving daughter Michele Di Caterino, granddaughter Ciera Mach and other distant relatives Lisa and

Logan Snyder, several nieces and nephews. A special thanks to good friends Verne French and Michael Mach who were there for him at all times. I would also like to thank all of our community members who took the time to visit and made him feel welcomed and needed after his disability. These include his favorite people, bankers, postal workers, grocery workers, clergy and many more. I am quite certain it was this out of pour of support from our community that drove him to keep going. In keeping with his wishes there will be no calling hours or funeral services.

“ Michael was a friend and mentor to me at GHS where we taught together. He sold me my first house and was there for me during the whole process. After his retirement he put an addition on my house and again did everything to make sure the job was done to his satisfaction. That was the kind of guy Michael was and that's how I will remember him. My sincere condolences to his family, he was a true gentleman.

“ Dear Michele, Ciera, Mike and Vern;

*My heartfelt thanks and appreciation for the Love and Care you gave to my brother. The comfort he received and the attention to his needs was certainly a blessing for him and allowed him to enjoy some things he would have not been able to do in a different environment, reading the newspaper, playing cards, watching westerns kept him happy..The company of Love Ones by his side 24/7 surely brought peace to his life with all that he was faced with his health.*

*God's Eternal Blessings Mike and God's Blessings to all of you again for the wonderful love and care you gave to Mike, your father, grandfather and friend,  
Love, Uncle Henry and Carolyn*
