“ Just found out about Pat's passing, I have very found memories of the Jepsen family. I spent alot of my childhood hanging out with Pat and Greg's children. They were a second family to me growing up. She was a very wonderful woman. To the family my heart goes out to you during this time. Heaven has gained a wonderful angel. God bless you all during this time.

“ To Pats family and friends,
I knew pat for several years. She was a great lady that loved her family very much. Even tho we lost touch over the years, I often thought about her and how she was doing. Rip pat.

“ To cousin Patty's family,
I have many fond memories hanging out at our grandparent's farm with Patty. All of us cousins spent many Sunday's and Holiday's together there, where we were raised to help prepare family dinners, along with washing and drying the dishes afterwards, . We all learned to target shoot, ride mini bikes and watch out for one another. Riding our uncle Jacks horses through the fields, picking apples off grandpa's apple tree's, and just hanging out with the neighbors. One of my favorite memories with Patty is baking Christmas cookies.

May she rest now in Peace up in Heaven with her family & friends that have gone before her. I pray for her family to have strength to get through this difficult time, and that they cherish all their photo's and memories of Patty.

Love,

Jenny (Rote) Constantine
