“ Dear Julia and family,
So very sorry to read of your Mother's passing. I share such warm memories of you both from our journey at the Infirmary. I had the highest regards of Pauline, just as you, she was a dedicated, compassionate, loving caregiver who worked many hours over and above the expected. She treated each resident as if they were family. "Good old school care"- the kind you don't find very often today.
I hope you can find comfort, peace and strength in the many days ahead as you recall your beautiful memories of her. She will always be with you.
My thoughts and prayers are with you,
Love, Denise Spedding
