

Philip Louis Danise

December 5, 2020

Philip Louis Danise, 58 lost his battle with leukemia on Saturday December 5, 2020 while surrounded by his loving family. Philip was the son of the late Vincent Peter and Louise Bastone Danise.

He leaves behind his treasured daughter Miranda (Gabe) Critwell, best friend Brigiette Danise, brother Vinny (Valerie) Danise, sisters Teresa Danise (Michael) Hessler and Lisa (Milton) Trainor, nieces Jessica (Adam) Norton, Teresa Munoz, Courtney (Dillon) Chichester, Maria Danise, and nephew Yisrael Hessler.

Philip will be remembered as a mischievous, adventurous, and very intelligent child with a talent for making people laugh. He grew into an enterprising and hard working adult; starting several successful small business ventures throughout his life with his wife Brigiette. Philip shared a love for the great outdoors with many friends and family, where he was happiest when camping near the lake, boating, riding trails on snow machines and dirt bikes, target shooting and hunting, or sitting around a fire telling stories. He could always be found in the kitchen or near the grill, where his passion for food was evident at every holiday and family gatherings.

Philip was a man who worked hard, played hard and loved life with an infectious smile that could brighten anyone's day. His family is thankful that he

is no longer suffering, but will miss his voice, hugs, and sense of humor that provided comfort during life's difficult moments.

A private graveside service will be held at the convenience of the family in Broadalbin-Mayfield Rural Cemetery. Memorial contributions in his memory may be made to Leukemia Society, 5 Computer Dr., W#100, Albany, NY 12205. On line condolences to www.amicofuneralhome.com

“ I have many fond memories of Phil and Brigiette. Phil was always an enterprising young man, ambitious and adventurous. He could turn a trip to the grocery store into an adventure! I was fortunate to have taken part in many of these adventures.

I quickly learned how important his family was to him and I had the pleasure of being included in many family functions - times I treasured.

So sorry you were taken so soon my friend. My condolences to his family - you meant the world to him.

Thanks for the memories.....
