“ Paul and Priscilla were great neighbors. I really enjoyed our times together. We would laugh and joke. I only wish I would of gone over to meet them when I first moved across the street from them so we could of had more time together. I always felt safe having them for neighbors. they would sit on their porch and always call and let me know when UPS delivered a package before I even knew it was there. Sometimes before the truck left. lol. Priscilla would call Ron "RED" because he wore his red sweatpants outside to work a lot. A couple different times when Ron was outside working he tripped over something and fell. A day or 2 later when I went over to see them they said that they had seen it and wondered if he had a nice trip. Lol always had a good sense of humor. They will be greatly missed. My condolences go out to the families for their great loss. God Bless each of you. My prayers go out to you. Love, Ron and Marie
