“ *Marion I remember you fondly from the Fireside. My mom and you  
always talked with each other on the Sundays when you were both  
there and continued that friendship even after you moved., Sadly,  
mom passed Nov. 15. Hope you both can visit now.*

“ Marion, I was so sorry to hear of your passing...covid made it difficult to come visit you, but I still have memories of the times my dog, Koko, and I visited you. You always enjoyed his visits, and he reciprocated by climbing up on your lap (all 85 lb of him!)...I still have the photos. Rest in peace...I am sure John is up there waiting for you with one of those martinis you two loved. You and John even got me to like them!

John, I'm so sorry to learn of your mother's death, She was the first to greet me when I moved into Prestwick Chase and we became dinner mates along with three or four other new retirees. Your Mom could be lots of fun unless she was worried about something. Which unfortunately became more and more frequent. I've really missed her and her sharp wit and will always remember her as one who truly had a heart of gold. With condolences, Carol Linart
