“ I was saddened to hear the news of Ramon's passing. I worked with Ramon at Grandoe. He truly was a gentleman and a pleasure to work with. My thoughts are with his wife and son during this sad time.

“ I was quite sad to hear of the passing of Mr. Streeter. I was also moved to read of his kind thoughts about his neighbors. May it be of some comfort to his wife and son that his neighbors thought the most of him as well. I'm certainly one of many who have long since left Gloversville but continued to think of Ramon as a neighbor and a friend. We will miss him.

“ I have found memories of Ramon and Norma Streeter, from their love of animals, to their son Mark and his family. I first met Ramon when I was their paperboy 34 years ago. Ramon greeted me at the door on my first day and introduced himself, and before I left he had mentioned almost everyone in my family by name, I was astonished. I would often visit over the years and it was like I was there the day before.

I was guaranteed the following when ever I visited their home, Ramon would greet me at the back door, and call for Norma to come greet me, EVERYTIME! Norma, the years have gotten away from me, I rarely make it back to Gloversville now that me and most of my family have moved out of state.

Norma, Mark, please accept my deepest regrets on your loss, Ramon was a fine man and he has taught me a lot.
