“ Rick, Michael, David & Families:

My sincerest thoughts and condolences. I'm deeply saddened by the loss of your Dad. Please accept my condolences and may memories help comfort you.

While I don't think I've seen your dad since 1971, I remember him as a friendly man always concerned about the best for his family - sometimes very quiet and reflective, and other times very emotional and not-so-quiet, especially while enduring the antics of his teen sons and their friends, me included.

Peace be with you.

Dave & Zoe - So sorry to learn of Dick's passing. I first met him at BOCES. Then, not again until I started going to Bingo. My husband and I hit it off with Dick and your mother Dave. Such a nice man with a nice sense of humor. I will remember him fondly. - Terri Stewart Capasso
