“ Dear Chuck and family;
Our sincerest sympathy and condolences to you and your family upon hearing of Rosemarie's passing.
Rosemarie and I were classmates from the GHS Class of 63 but also along with the Rossbach family we grew up in the same neighborhood. I believe she at one point was at Oswego State when I was there and gave her a ride back to Gloversville for the weekend in a 57 Chevy that was my brother Mikes.
I have not seen Rosemarie for many years as we now live in Florida but what a wonderful person who married a wonderful guy. Just a great neighborhood to grow up in and the wonderful families that resided there.
The Love and many Memories you have shared together will always keep her close to your heart.
With Loving thoughts and prayers to you and your family at this most difficult time, always and forever friends and family, Henry

“ *My mom was a first cousin of Rosemarie by way of the Romano family. My grandmother (who used the name "Sue" instead of her given name), married Lou Comanzo. I took my mom (Jean Jackson) to visit Uncle Carmin several times in Gloversville where I met Rosemarie too. Rosemarie was so attentive to his needs. I probably met her when I was younger, but I only remember Madeline when we were growing up and Aunt Babe was alive. Our hearts go out to all of you at this difficult time. We wish we could be there with you to honor Rosemarie as well as celebrate her life but my husband is now recovering at home from a fall on May 1 when he fractured his femur, had surgery followed by time at a local rehab/nursing home facility. We are adjusting to our new lives, just like we adapted to pandemic life. May fond memories bring you comfort as you mourn her passing. She was a good person, a good mom, teacher, sister, daughter, spouse, who cherished and loved you all. She was so very proud of all of you too. Our sincere condolences.
