“ *I have so many memories with my Aunt Sandi, the most recent memory is being with her this past summer watching her and my father (Peter) laugh and talk about when they were kids. He laugh was infectious and made you want to laugh. After my mother's passing last year she called me almost every day, she was my God Mother and my Rock and my best friend, I miss her so badly and will always keep her in my 💜. I pray Tracy and her children will someday find some peace.... One day at a time 💜.*
