“ *Tammy thank you for not only being my sister-in-law but my friend, I love you girl. You put up a good fight but as it gets closer to the day I say my final good bye it's getting harder for me to believe that you are really gone. I will always be there for your husband " my brother " nd your boys as I always have been nothing will change. Tell my mama hello for me. Please come back and give us some signs that you are with us. I love you kid spread your wings and fly baby girl.*
