“ To Tom’s Family,
I was so saddened to hear about Tom’s passing. I came to know him through Milton Town Court and quickly found him to be a “man of his word”. He would come by on a regular basis and share some jokes, stories and was genuinely interested in how everyone was doing. I looked forward to seeing him and I considered him a good friend. He was always interested in doing something for someone else. The joyful grin on his face when he made someone laugh was priceless. I will miss that guy and may he Rest In Peace knowing he’s touched many lives so positively.

Wonderfully said Judge.
Just to add a bit. Being a clerk at the court I got to see him on a pretty regular basis. He stopped in when passing by just to say hello and let us know we were his extended family, which I whole heartedly believe. I have a feeling he treated everyone he knew as such. So to his family I'd like to say, I am sorry for your loss and Thank You for sharing this kind man we will forever miss.
To Tom: Thank you for all the many wonderful memories you left us with to share💕
Respectfully,
Tina Woodard

“ I knew Tom when we lived next door to each other in Mayfield. I talked to him less than 2 weeks ago. He sounded so chipper. It's shocking to read this in the paper. I'm so sorry for the family and friends loss.
