JB

“ *Phyllis and Tom had a happy 33 years married. They shared their lives intertwined in common interests and activities. Their love of motorcycles, viewing fall foliage, car shows, craft fairs, traveling, music and TV were all part of their rich life. We will miss Tom's cooking. His roasts, soups, pickles, and desserts were magnifique. His smiles, chuckles, and subtle laughter kept us cheerful at family gatherings. We will miss him.* ”
