“ *Marie sorry to hear about Vinnie's passing. Still till this day I remember going to see your father on Sunday morning with my father and having coffee and Vinnie (aka Sonny back then) just getting home from a night out. Always enjoyed hearing the stories of back when they were young. Still have fond family memories. Marie take care and stay safe and healthy.*

“ Our sincere condolences to the DiMezza family. Vinnie was one in a million! Ed knew him from working in the leather industry; he was a kind man. Vinnie would visit my office and sit down, tease and crack jokes until I had to shoo him out; seems like so long ago. We always enjoyed his company at the annual golf tournaments - Ed and Betty worked the grill, Vinnie golfing with the "Grumpy Old Men" Team. We send our love and prayers. - Ed and Michele Blake

“ Dear DiMezza family, I first met your Dad when I was 21 years old when I had to buy my first pistol as I was becoming a GPD officer but got hurt in a car accident and had to sign off, while I was laid up and out of work for almost 10 months he and Mr. Renda never asked for a dime while holding my pistols when I came into pay he even said if I needed more time it would be ok. I then bought a few guns off him as he was next door to my Tavern. Always a great guy, always fun to talk with, always a good man among men!! Joe DiMezza you remind me of him, thoughts and prayers from our family to yours during this difficult time and may God bless you all
